Good Rich Tea Co is a leading producer and supplier of CTC and orthodox black tea. We produce all the standard grades. We also do blends as per customer's requirements.

However, we do follow a certain process. All the tea we produced is divided in three categories. Premium, Regular, and Economy.

Below are the **price quotes**:

Note: -

- The price is in a range as it varies with season and is subjected to and influenced by green leaf availability. Quotes are updated frequently.
- The quotes below are for **Primary tea**. For **Secondary tea**, the prices in each category will be reduced by 20 rupees.
- Currently its off season here, that's why most of our products are out of stock. Off season will last till **march' 2022**. Post that we will resume production and our stock will replenish.
